“TELLING SAYRE’S STORY”

Do your memories of Sayre include:

- the Lehigh Valley Railroad and its “Black Diamond”?
- the East Side, West Sayre and Milltown?
- Howard Elmer and Desmond Parks?
- Coleman Memorial Parish House & field?
- fire and police departments?
- Robert Packer Hospital and Guthrie Clinic?
- school sports, Little League, Small Fry?
- downtown businesses and promotions?
- schools and the Sayre Theater?
- Packer and Island Ponds?

The mission of the Sayre Historical Society is to preserve and share the history of Sayre.

“TELLING SAYRE’S STORY” is the capital campaign to raise \$450,000 that will make our Sayre memories come alive through the Sayre Historical Society Museum.

The dream of a Sayre Historical Society Museum began in 2002 with the signing of a lease with Sayre Borough for use of the former Lehigh Valley Railroad Passenger Station. Significant exterior and interior renovations continue with funds obtained from area, state and federal grants as well as our fund raisers. Improvements include a new roof, refurbished exterior and installation of a new heating/air conditioning system and a handicap-access elevator. The museum exhibit design and layout is nearly complete and the exhibit build can begin so the many artifacts that have been donated can be displayed.

Your generous financial contribution will help bring alive the museum plan.

“TELLING SAYRE’S STORY” is a three-year project to enable you to spread your commitment over time. Whether you take advantage of a naming opportunity or contribute at another level, this is your opportunity to help build the museum. Your participation is critical and will be permanently acknowledged at the museum. Please contact us for a list of the naming opportunities.

Please complete and return the enclosed “Statement of Intent” in the envelope provided.
